From

The DC Tumkur Dist

Abc 3517/Lrs/mg/4/ 3-6-89,

requests Sanction to the above proposal

1) The DC Tumkur Dist has forwarded 24 estimates amounting to Rs 12,097/- 12,0000/- for several Town Improvement works such as Road repairs and for getting the drains repaired etc in Chickmagalkanahalli Town

not satisfactory and it is not in a position to meet the estimated cost. The proposed works are very important and necessary.

4) The DE recommends a grant of 2/3 of the total estimated cost i.e Rs 8,064/- or 8065/- provided the balance of the cost is met by the Mdlr

5) The financial position of the Chicknayakanahalli Taluk Dev Board for 1965-66 is as follows -

Opening Balance Rs 9,752-00

Receipts Rs 22,220-00

Total Rs 31,974-00

Expenditure Rs 21,424-00

f) From a perusal of the estimates received, it is seen that the works proposed to be taken up are all small ons, involving an expdre of Rs 5000/- below an almost all the cases none of them are works of permanent utility, as they are mostly annual repairs for which the Bdy should make the necessary provision in its Budgets every year If it is short of funds, the works might be spread over a period of two or three years

B g) Hence regard to the recommendations of the Divisional Officers, an outlay grant of Rs 5000/- might be given out of the Improvement grant during the current year and the above observations communicated to the Bdy for future guidance - It is too late in the day to call for proposals during this year (1942-43) as about one third previous half of it would be too much to give Rs 5000/- for

Subject - Sanction of a Govt grant of Rs 12,000/- to Chiknaikanahall i Town Municipality for town improvement

---

In forwarding herewith the correspondence received from the President, Town Municipal Council, Chiknaikanahalli with his letter No H C. 62/48-49 dated 9-5-49, on the above subject, I have the honor to state that the enclosed 24 estimates - amounting to Rs 12,097/- have been got prepared by the President, Town Municipal Council, Chiknaikanahalli for the improvement of the town

The Municipal Council have at their meeting held on 29th March 1949 resolved that Government be requested to sanction a Government grant of Rs 12,000/- out of the Town Improvement grants, for the improvement of roads and drains in Chiknaikanahalli Town in view of the poor financial position of the Municipality

The President states that no improvement works have been taken up since last five years due to bad economic condition of the municipality, that it is not possible to provide any funds out of the Municipality for any improvement works during the current year, that many of the roads have become unfit for use as they have not been repaired since many years and that there is an urgent necessity for the improvement of roads and drains as the water in the earthern drain does not flow easily He requests to recommend for a Government grant of Rs 12,000/-

PTO

The Municipality is really very poor and most of the Works proposed are of a very urgent and essential nature The roads and drains have been in disrepair for years - together for want of funds The resources of the Municipality are hardly enough to make its both ends meet This Municipality has not been given any grant for works of an important nature during the previous years presumably because they did not submit any concrete proposals with plans and estimates At the same time it would be a bad precedent to make out-right grants to Municipalities for such works which are in the nature of mostly annual repairs

Considering all these circumstances, I recommend that 2/3 of the cost of the proposed works may kindly be given as Government grant as a very special case provided the Municipality meets the remaining 1/3 cost and completes all these works in about 3 months

Yours faithfully,

Deputy Commissioner,
Tumkur District

2 L 14935-7/ML 128-48-4 dated 30 6 49 sanctioning Rs 6,000/- as grant for Town Improvement to the Chicknayakanahalli Town Municipality	

Having regard to the fact that sanction was accorded to the grants during 1948-49 and as the amounts would be credited in the registers of the Treasury and of the Municipality by book adjustment and not by drawing the cash I am to enquire whether the amounts may not be debited to the grants for 1948-49 alone and adjusted accordingly in the accounts The favour of an immediate reply is requested
